## Emergency Preparedness

Gene writes a newsletter column to help homeowners to know what to do in case of an emergency.

## Lakes

Our front and back lakes add tremendous value to all the homes of Camden Pointe. This committee is charged with maintaining and fostering a great experience with our lakes.

## Landscaping

Our Landscaping makes an important first impression on new home buyers. This committee works to maintain and improve the common areas.

## Newsletter

The Camden ViewPointe is our premier intra-community communication tool. It is a great way to communicate with our almost 400 neighborhood homes.

## Pool

The Pool is one of the star attractions here at Camden Pointe! This amenity is used regularly throughout the summer by the majority of our residents. Hey - that's why we're called a Swim and Tennis community! For pool problems or concerns please email AIO at [customerservice@allinonemgmt.com](mailto:customerservice@allinonemgmt.com) or call them at 678.363.6479.

## Tennis

One of the busiest committees is the tennis committee. The Tennis Committee manages the many ALTA and USTA teams throughout Camden Pointe and sets direction for the use of the tennis courts.

Web Site The web site serves more as a storage place to keep useful information about Camden Pointe and our great community.
