# Book Exchange

**Have books you no longer want? Want books you don't have? Need books for summer reading requirements? Participate in the Camden Pointe book exchange and everyone wins! All age groups welcome! Here is how it works...bring any unwanted books to our home at **2229 Salluda Lane NW** by **Wednesday, June 2**. Together, we will record the number of books you donated. When you come to the book exchange the following Saturday you may select the same number of books as you donated. It is really that simple! Questions: 678-401-4647.**
