

2011 Camden Pointe Committees

Thank you to all our Camden Pointe Residents who volunteer to sit on the BOD Directors or chair a committee. We couldn't do it without you!

As a courtesy to our volunteers please do not call after 8:30 p.m. unless it is an emergency.

Tennis	Lamar Jones	talk2lamar@bellsouth.net	All BOD Members
Web Site	Pam Polk	pamelapolk@bellsouth.net	Eric Swalberg

ACC

The ACC reviews requests and violations in light of the Camden Pointe Covenants and Design Standards and works with homeowners to protect the value of our neighborhood. The ACC is the authority on all design issue for common areas and homes.

Clubhouse

The large and small clubhouses are available for any Camden Pointe homeowner in good standing to rent for any occasion. **KEY PICK UP:** Camden Pointe uses a lock-box for each of the clubhouses. To reserve either clubhouse, visit: <http://www.camdenpointe.com/residentlogin/reserveclubhouse.htm>

Emergency Preparedness

Gene writes a newsletter column to help homeowners to know what to do in case of an emergency.

Lakes

Our front and back lakes add tremendous value to all the homes of Camden Pointe. This committee is charged with maintaining and fostering a great experience with our lakes.

Landscaping

Our Landscaping makes an important first impression on new home buyers. This committee works to maintain and improve the common areas.

Newsletter / Website

The Camden ViewPointe is our premier intra-community communication tool. It is a great way to communicate with our almost 400 neighborhood homes. The web site serves more as a storage place to keep useful information about Camden Pointe and our great community.

Pool

The Pool is one of the star attractions here at Camden Pointe! This amenity is used regularly throughout the summer by the majority of our residents. Hey - that's why we're called a Swim and Tennis community! For pool problems or concerns please email AIO at customerservice@allinonemgmt.com or call them at 678.363.6479.

Tennis

One of the busiest committees is the tennis committee. The Tennis Committee manages the many ALTA and USTA teams throughout Camden Pointe and sets direction for the use of the tennis courts.
