

# **Camden Pointe Tennis Captain Guide for Home Matches:**

## **Before you start play**

- 1 If the courts have leaves, pine straw etc. it is the Captains responsibility to clean the courts off before the match. (Blowers work great) (**Also a ALTA rule**) so have someone get there early.
- 2 Look on the sign up board to see which courts your team is assigned to play on.
- 3 Empty the 2 net post trash cans.
- 4 You can use a large trash can located in the pool parking lot.
- 5 Unlock the pool gate for our visitors. (Gate can be propped open during tennis play)
- 6 Unlock and check restrooms for cleanliness and damage. Report any problems to the tennis coordinator immediately so we do not get blamed for it.
- 7 Bring a towel to dry the dew off the benches and chairs.
- 8 Set out chairs before play begins.

## **During the match**

- 1 You are in charge of your team's behavior. (Enough said)
- 2 Keep children from running next to the fence. (ALTA rule)
- 3 Keep the noise level down during play (ALTA rule)
- 4 If you are using a grill, position it so that smoke will not blow on the courts.
- 5 Have fun, Win the match (We need more City Signs)

## **Before you leave**

- 1 Empty the 2 net post trashcans.
- 2 Take large trashcans back to curb in pool parking lot.
- 3 Stack chairs and leave on sidewalk designated areas. (Do not leave chairs on grass)
- 4 Check restrooms to make sure they are locked.
- 5 Lock pool gate if open.
- 6 Pick up trash
- 7 Report any problems to your tennis coordinator immediately.

Thank you and have a fun season,

John P. Clancy
