Our first City Championship came from Amy and Pat Pohl's A5 Senior Mixed team winning the City Championship against Piedmont Bend at the DeKalb Tennis Center on Saturday February 28th. It was a great final winning 3-0 where all 4 matches went three sets and were very close. They started off with the women's doubles team of Jenny Dunlap and Ramona Earl winning 2-6, 6-2, 6-2. Next it was the men's doubles team of Larry Smith and Lance Stafford winning 6-7, 6-4, 6-0. Then it was a race to the finish as the mixed team of Sandy Allen and Pat Pohl were at 6-7, 6-1, 3-3 when Amy Pohl and Bob Earl won their match to clinch the championship 6-2, 4-6, 7-6. Camden Pointe members on the team are: Amy Pohl, Pat Pohl, Jenny Dunlap, John Mlincsek, and Darryl Millard. Our second City championship came from Doug Page's A9 Senior Mixed team who defeated our other Camden Pointe A9 team captained by Tom Spurlock by the score of 3-1 also at DeKalb Tennis Center. It was a great and contested day playing against each other in the finals. Starting off was Tom's team of Babbie Bridges and Brenda White taking the women's doubles 6-1, 7-6 over Gail Douillard and Cheryl Reno. From then on it was Doug's team taking the men's and both mixed doubles matches. Ken Dunn and Mark Douillard won the men's doubles taking out Scott Chapman and Tim White 6-2, 1-6, 7-5. Next up were the mixed teams of Darren and Teresa Hayes beating Steve Johnson and Debbie Larson 7-5, 6-1. And to close out the match and clinch the City Championship Dave Vogel and Janice Larkin won 6-4, 4-6, 6-1 over Tom Spurlock and Vicki Turner. It was a fun day with lots of cheering having two teams from the same subdivision in city finals against each other. Add another City championship for Camden Pointe!
